

Tiered Levels

Trainee

During this season of growth, our trainees are put through rigorous internship training under our Master stylist + owner, attending off-base classes + honing in on their own personal style while gaining confidence in their craft.

Junior

Having 8-12 months of additional training + continued education beyond their schooling, these industry professionals focus on offering a fresh take to the clients they serve + have the skills to provide the services you need.

Senior

Years of experience + hours of continued education, Senior Tribe members offer advanced techniques, have their individual creative flow + offer clients highly skilled, luxury services.

Master

Mastering their craft while providing training + mentorship to tiers below, their experience allows a variety of methods used in the industry. These hard-working Tribe members often specialize in areas of expertise providing exceptional services with their expended scope of knowledge.

Owner

Providing education, training + encouragement while continuing to serve a loyal client-base, this matriarch is focused on growing the tribe while still honoring the passion for her craft.
